Push Yourself

**THOUGHTS
BECOME
THINGS**

'Thoughts become things' when you leave the realm of average thinking and follow your dreams by applying the right decision, driven by your mind. Fitness is a 'state of mind', which needs constant trigger to put ones thought into action.

Every action needs a reason for accomplishing it. Staying fit manifests in the physicality and inner well-being which everyone aspires. Every time you make a resolve and step-up your fitness goals, life gets the better of you and positive thoughts lead to positive outcomes.

VIVA Fitness is an accomplished brand in the world of fitness equipment, designed both for commercial and home use. It thrives on the belief that with the right set of tools, a fitter person is better off in accomplishing his personal and professional goals.

TUNTURI®

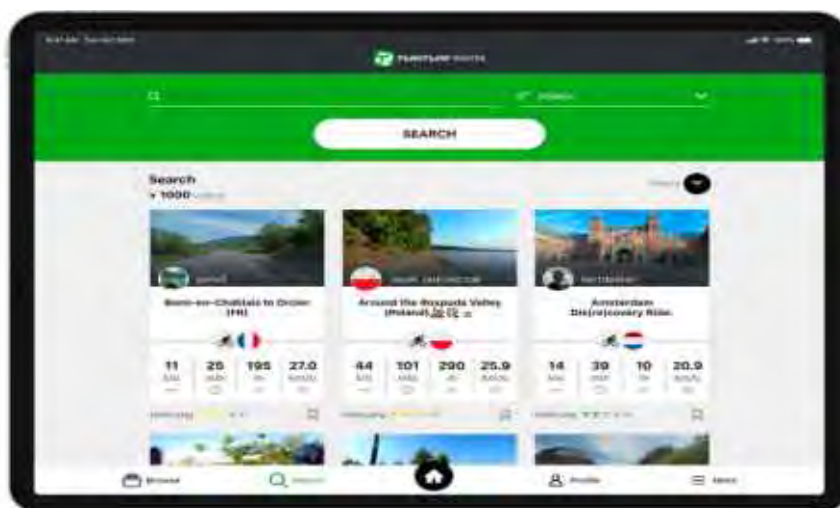

**INTRODUCING
TUNTURI ROUTES APP**
For all our
cardio equipment

**Explore the
World from
Home**

Explore the world from home

Do you want to check out your holiday destination or do you wish to cycle or run through the famous Central Park in New York City? This is possible with Tunturi Routes. Make use of the videos users have uploaded all around the world. The resistance of your cardio equipment will sync automatically with the elevation changes in the video. It's like you are there...

Choose from 50,000+ videos

Never get bored on your cardio trainer again. The platform offers you 50,000+ videos you can choose to play. The videos are from places all over the world, from the United States to Australia and everything in between.

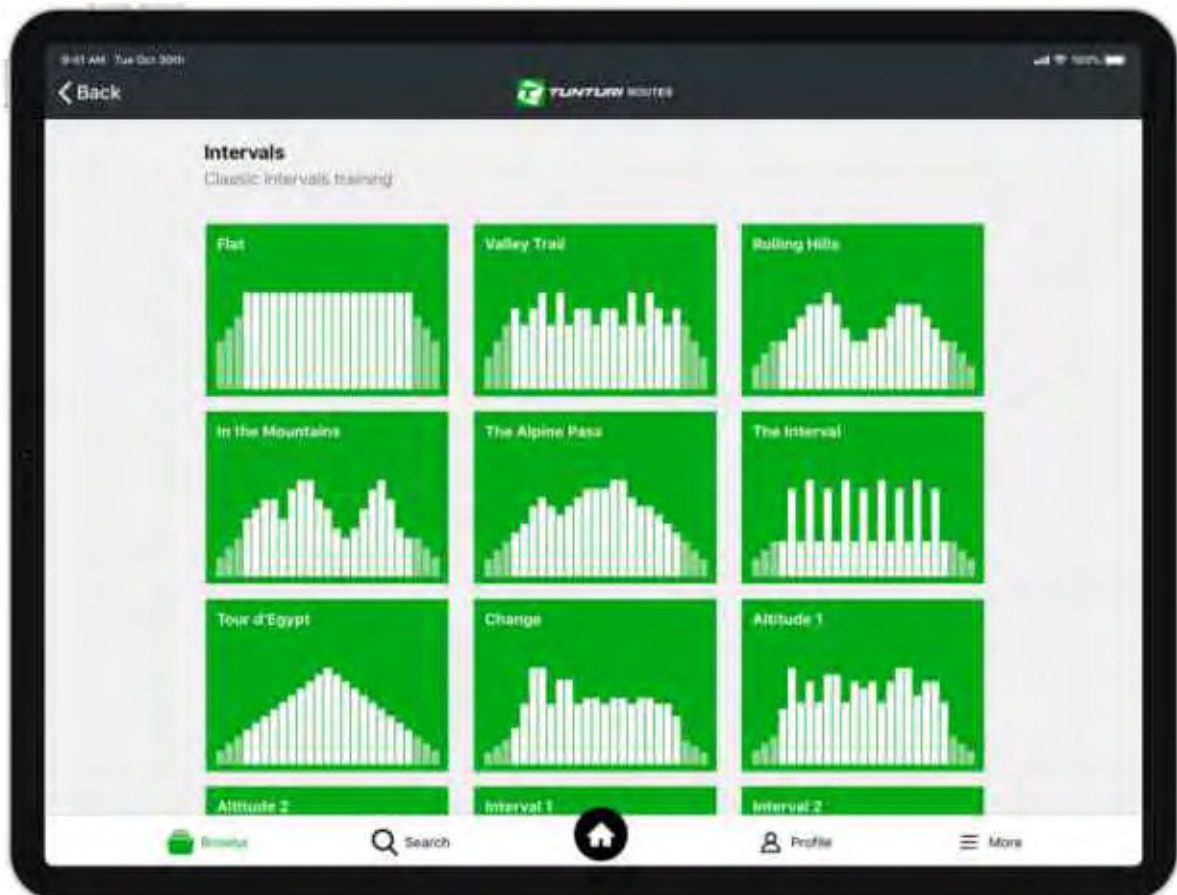

Cycle, cross and run at your own level

Is cycling up the Alpe 'D Huez on your bucket list, but still far out of reach? You can easily adjust the difficulty of video, which makes it possible for you to conquer mountains at your own level. Is the road ahead not challenging enough, increase the level of difficulty and challenge yourself.

Follow coaching classes from home

Do you know spin classes? A room full of sweaty people on spinning bikes accompanied by loud music? Coaches around the world have uploaded their coaching lessons on the platform, so you can follow the instructions of the coach from the comfort of your own home.

Expand your training profiles

Doesn't your cardio trainer have enough training programs? No worries! Tunturi Routes offers a lot more training programs to do interval training. Start an interval training profile you like and decide yourself how long it takes.

ENJOY A PRIVATE FOOT THERAPY SPA

Leg and foot combination care to care for your second "heart"

LEG ROLL SCRAPING

Quickly relieve leg soreness and swelling.

FOOT ROLLER MASSAGE

Three rows of rollers on the sole of the foot Stimulate acupoints on the soles of the feet.

KNEE JOINT MAINTENANCE

Lengthen the calf to the knee.

ZERO SPACE

Unique one-button translation forward slide design about 10CM against the wall will fully open the massage chair greatly saving space.

FULL-BODY STRETCH

Especially for people who have been in the office or standing for a long time, full body stretching can effectively alleviate muscle fatigue, allowing the body to relax and feel comfortable.

ZERO-GRAVITY

The 135° and 118° zero-gravity angles that simulate spaceflight make the thighs and calves higher than the heart part of the body as if in a state of "weightlessness" making the spine free of pressure and achieving deep relaxation.
